Budget Update

As we look ahead to the end of our fiscal year at the end of June, we currently have a deficit of approximately \$30,000. We are asking all of our members, to prayerfully consider how they have been blessed by the Lord and respond to his grace and goodness by working together to meet this need.

Construction Update and Help Needed

Thank you to the many talented people who have shown up over the past few weeks to help both move items into temporary locations, build our storage shed and help to re-shingle our existing facility. If you would like to help finish the shed, please talk to Matt Sprenger. If you are able to help with the roofing project, please speak with Dave Wusterbarth.

- The exterior façade of our school entryway and commons has been removed. The interior demolition work for our new large flex classroom is in process. CD Smith is in the process of completing the footing and foundation work.
- Beginning this next week, a number of the pre-built steel exterior walls will be lifted into place.
- Beginning June 8, much of the other structural steel will be set in place. One will soon be able to see the structural shape of the building.

This is an exciting time in our church and school's history. Please pray for good weather and no major hiccups in the process.

Summer Office Hours

Our relocated church and school office (in the narthex) will be open Monday-Friday from 8:00 a.m.–12:00 p.m. Scrip is available then. Come to the church doors for assistance. Please watch the church calendar for days when the office will be closed.

Pastor (elect) Jacob Lewis Call

Our former vicar, Jacob Lewis, received his call to serve as a pastor at Shepherd of the Hills Lutheran Church in Anchorage, Alaska. Please continue to keep the Lewis family in your prayers as Jacob and Alyssa prepare to move to the land of the midnight sun.
